

Home Disaster Kit

Storage (best if waterproof/
rainproof)

- Garbage can with wheels
- Plastic crates with solid lids
- Duffle bags

Water, Food, Sanitation (recommend
7-10 days)

- Drinking water (1
gallon/person/day)
- Easy to prepare food (minimal
cooking) with long shelf life.
- While this can include food in
your kitchen, you will want
some in your kit in case you
need to relocate quickly
- Manual can opener
- Paper or plastic plates, eating
utensils
- 5 gallon plastic bucket
- Box of medium sized plastic
garbage bags (kitchen can
sized) for lining toilet or
bucket
- Toilet paper
- Toothbrush and toothpaste
- Personal/feminine hygiene
products
- Towels
- Soap
- Baby or wet wipes
- Hand sanitizer
- Household bleach and
dropper
- Infaperson
- Tent, tarp, or plastic sheeting
- Nylon cord or twine, 50'

Equipment and Tools

- Paper and pencil
- Whistle
- Flashlights or lanterns with
extra batteries (recommend
LED style lights)
- Phone charger system
(battery or solar)
- Portable battery powered
radio for news
